## Head of Sales for Syngenta Canada

Duane Johnson is the Head of Sales for Syngenta Canada where he leads the national sales team offering recommendations and technical support on the products and technologies that allow the full potential of all key crops across Canada to be realized.

He holds a degree in Crop Science from the University of Saskatchewan, and has built a reputation over his 30 years with Syngenta and its legacy companies as a dependable and knowledgeable partner to growers as well as their agricultural retail, dealers and distribution partners.

Duane also sits on the Board of Directors for Syngenta Canada and has played key volunteer roles in several industry associations, including six years on the Board of Directors for the Canadian Seed Trade Association (CSTA).

Syngenta Canada is an agribusiness whose ambition is to be the most collaborative and trusted team in agriculture, providing leading seeds and crop protection innovations to enhance the prosperity of farmers and ensure the continued sustainability of agriculture.
