

Trevor Heck

President of Syngenta Canada

As President of Syngenta Canada, Trevor Heck is leading a team of 300 employees in the crop protection and seeds business with a focus on being customer-centric and helping growers grow their best crop.

Trevor has enjoyed a lengthy career with a Syngenta beginning in 1992. Starting in sales out of Alberta and subsequently moving into marketing roles in North America and Europe, he served as the Head of Marketing with the Syngenta Canada organization from 2011 to 2018 before taking on the leadership role for Canada.

Trevor holds a Bachelor of Commerce from the University of Alberta, and a Graduate Certificate in Executive Coaching from Royal Roads University in Victoria. As certified executive coach, he's also a strong advocate of leader development and support in agriculture.

He is a Director on the Executive Committee of CropLife Canada and has served on the Board of Directors of Cereals Canada.

Syngenta Canada is an agribusiness whose ambition is to be the most collaborative and trusted team in agriculture, providing leading seeds and crop protection innovations to enhance the prosperity of farmers and ensure the continued sustainability of agriculture.
