## Head of Finance, Syngenta Canada

Jana Jones is the Head of Finance for Syngenta Canada, leading the financial strategy and finance operations of the business with a focus on operational excellence and best-in-class business partnering. Jana retains statutory and legal entity accountability as the most senior finance person in Canada.

Jana has held various roles of increasing responsibility within Syngenta since joining the company in 2007. She has consistently demonstrated exceptional leadership and expertise in finance business partnering. Jana previously served as the Corporate Controller for Syngenta Canada as well as Finance Business Partner for the Canada Eastern Region. Her most recent role oversaw the complete P&L scope of the Syngenta Professional Solutions Business in North America.

A Chartered Professional Accountant (CPA), Jana holds a Bachelor of Business Administration degree from Wilfrid Laurier University and has served on numerous boards and committees. She is passionate about mentoring the next generation of finance leaders and actively champions diversity and development initiatives including the North American Syngenta Finance Intern Program and the Syngenta Global Finance Capability Program.

Syngenta Canada is an agribusiness whose ambition is to be the most collaborative and trusted team in agriculture, providing leading seeds and crop protection innovations to enhance the prosperity of farmers and ensure the continued sustainability of agriculture.
