

David Kuypers

Head of Commercial Operations for Syngenta Canada

David Kuypers is Head of Commercial Operations for Syngenta Canada where he leads the customer service team who deliver the best customer experience in the Canadian business. Through his leadership, Syngenta is integrating new technology and process improvements for a seamless customer experience. At the heart of this is his appreciation for managing the details and fostering positive relationships.

David is a graduate of Wilfrid Laurier University, Penn State University and the Executive Education Management program at the Schulich School of Business. He also holds a Certified Golf Course Superintendent (CGCS) designation with the Golf Course Superintendents Association of America as well as a Professional Agrologist (P.Ag) designation with the Ontario Institute of Agrology.

Syngenta Canada is an agribusiness whose ambition is to be the most collaborative and trusted team in agriculture, providing leading seeds and crop protection innovations to enhance the prosperity of farmers and ensure the continued sustainability of agriculture.
